

## The Inside Edge Club Lodge Rates and Policy Guide

Welcome to the Inside Edge Club. We are pleased that you have decided to join the club and use our lodge in beautiful Whistler. We hope that you enjoy your time in our mountain environment and also at the lodge. Please find below some simple rules as well as policies and procedures. Have a great stay!

### LODGE USE AND HOUSEKEEPING

The lodge is run and administered by volunteers who are members of the Inside Edge Club. Please refer to the Lodge Resident's Code posted in the lodge regarding housekeeping matters such as cleaning, fridge use, bed allocations and general etiquette.

The lodge belongs to us all. Please try to leave it cleaner than you found it.

You may stay at the Lodge as long as you like on your day of departure but please have your bed area cleared by 6pm. In general, do give enough time for departing members to collect their belongings.

It is important to note that parking at the lodge is very limited and carpooling is **essential**. The reservation clerk will assist you with carpooling. For those who feel they may need transportation to and from the village, the local bus service is fast, convenient and efficient. Ski equipment is allowed on all buses.

### Non-resident club Members.

Club members not resident at the lodge are welcome, when invited by resident members, to visit the lodge and participate in meals. However, they are not to use other facilities such as the waxing room or Laundry etc.

Camping in the yard and overnight use of camper vans on the lot is strictly forbidden.

### PARKING ON THE LOT

Parking your vehicle costs \$2.5 per day payable when you make your reservation. Parking is limited to registered vehicles only. Double parking is strictly prohibited.
